

ASSIGNMENT 1

YTIET Campus Assistant Chatbot

Designed & Developed using Chatbase.co

Platform
Chatbase.co

Purpose
Campus FAQ Bot

Interactions
5+ Meaningful

Chatbot Overview

Objective

Build an AI-powered campus assistant that answers student queries about YTIET — admissions, courses, fees, and more.

Target Users

Prospective students, current students, and parents seeking information about YTIET's programs and services.

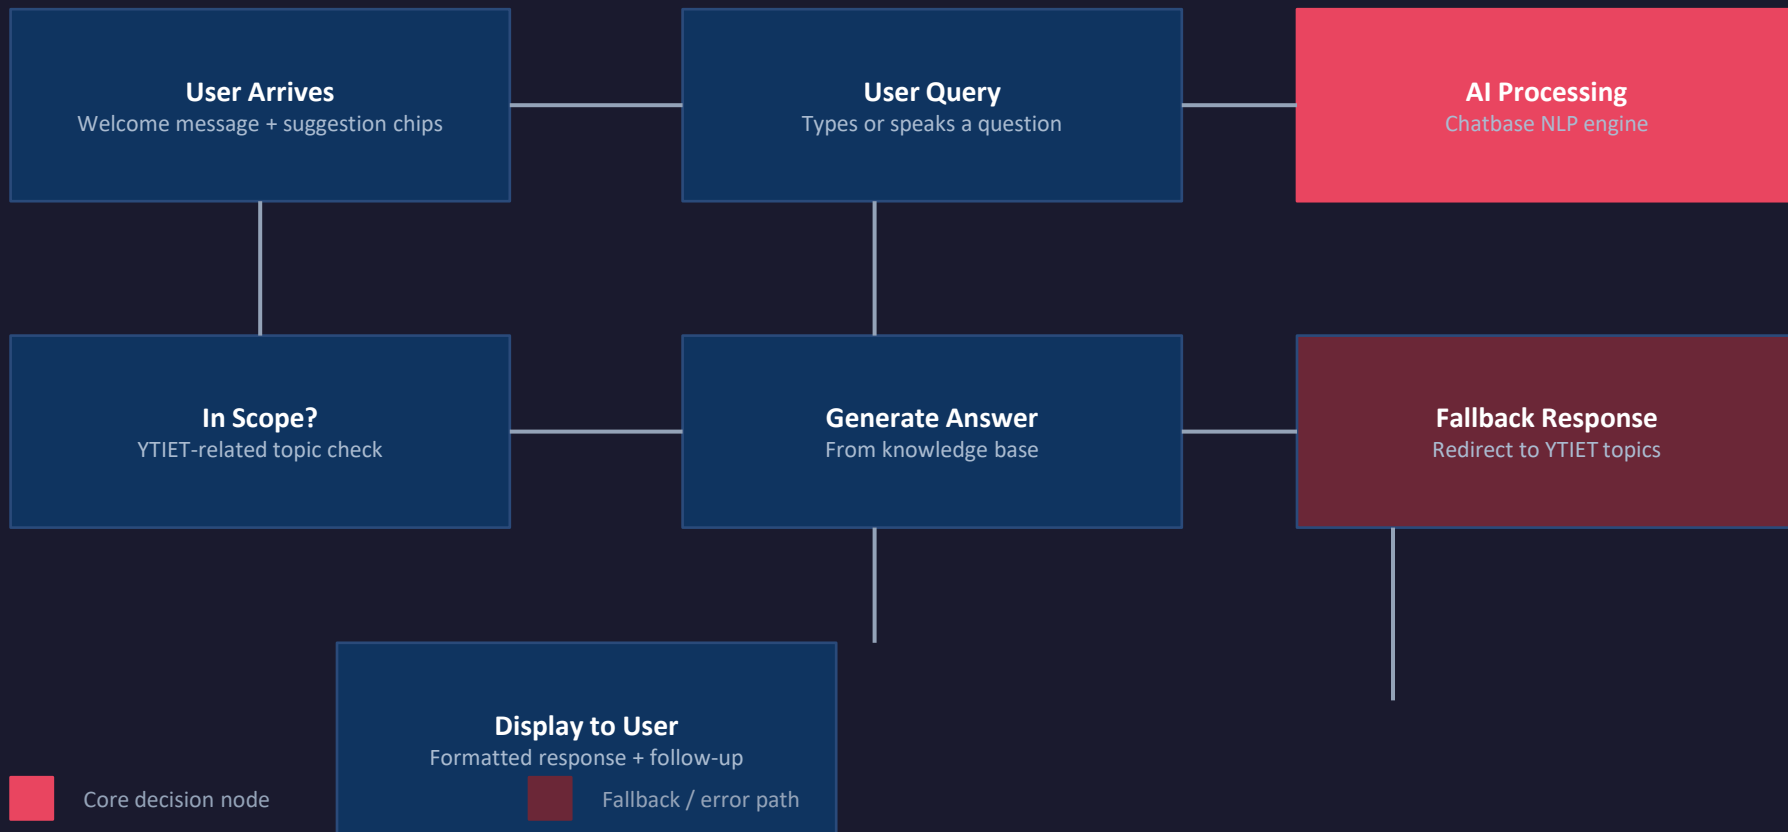

Platform Used

Chatbase.co — a no-code AI chatbot builder that allows custom knowledge base integration and easy deployment.

Key Features

- Natural language understanding for student queries
- Answers about admissions, courses, fees & eligibility
- Named principal & staff identification
- Scholarship & freeship information
- Graceful fallback for off-topic questions
- Quick-reply suggestion chips (Admissions Radar, Campus Quick-Check, etc.)
- Voice input support via microphone button
- Accessible via direct shareable link

Conversation Flow Design

Interaction 1 & 2 — Principal Info & Scholarships

Identifying the Principal o...

"What is the name of the principal?"

The principal of YTET is Dr. Nilesh N. Pawar.

Just now

"Scholarships and eligibility"

YTET provides scholarships and freeships through government and non-government bodies, and the institute supports students through scholarship schemes.

For admissions, eligibility depends on the program:

- UG (B.E.) : HSC with PCM and MHT-CET or JEE Main
- DSE (Direct Second Year B.E.) : Diploma in Engineering and Technology or B.Sc. from a recognized institution, with required qualifying marks
- PG (M.E.) : Bachelor's Degree in Engineering/Technology with qualifying marks, and GATE/MAH-M.E./M.Tech CET
- MMS : Bachelor's Degree in any discipline from a recognized university, with qualifying marks

If you want, I can also help with the scholarship document details or admission procedure.

Ask me anything...

✓ Principal name & scholarship eligibility answered accurately

RECENT CHATS

Identifying the Principal o...

"How can I take admission?"

Admission at YTET is done as follows:

- UG (First Year B.E.) : Through the Centralized Admission Process (CAP) conducted by the State CET Cell, Maharashtra
- DSE (Direct Second Year Engineering) : As per DTE norms for Diploma and B.Sc. qualified candidates
- PG (M.E.) : As per the admission process for eligible engineering graduates
- MMS : As per Government of Maharashtra and DTE guidelines

Basic eligibility:

- UG : HSC with PCM + MHT-CET or JEE Main
- DSE : Diploma in Engineering/Technology or B.Sc.
- PG : Bachelor's in Engineering/Technology + GATE/MAH-M.E./M.Tech CET
- MMS : Bachelor's degree in any discipline

If you want, I can also share the required documents list and the admission notification details.

Interaction 3 & 4 — Courses & Fee Structure

The screenshot shows a web browser window with the URL `chatbase.co/heTYdMgdbWT4FvZ50b3/help`. The chatbot interface has a sidebar on the left with a 'New chat' button and a list of 'RECENT CHATS' including 'Identifying the Principal o...'. The main chat area displays a message from the bot: 'What courses are offered?'. The response lists programs offered by YTIET, categorized into Undergraduate (UG), Direct Second Year Engineering (DSE), Postgraduate (PG), and Management. Each category lists specific specializations. At the bottom, there is a text input field with the placeholder 'Ask me anything...' and a microphone icon.

What courses are offered?

YTIET offers these programs:

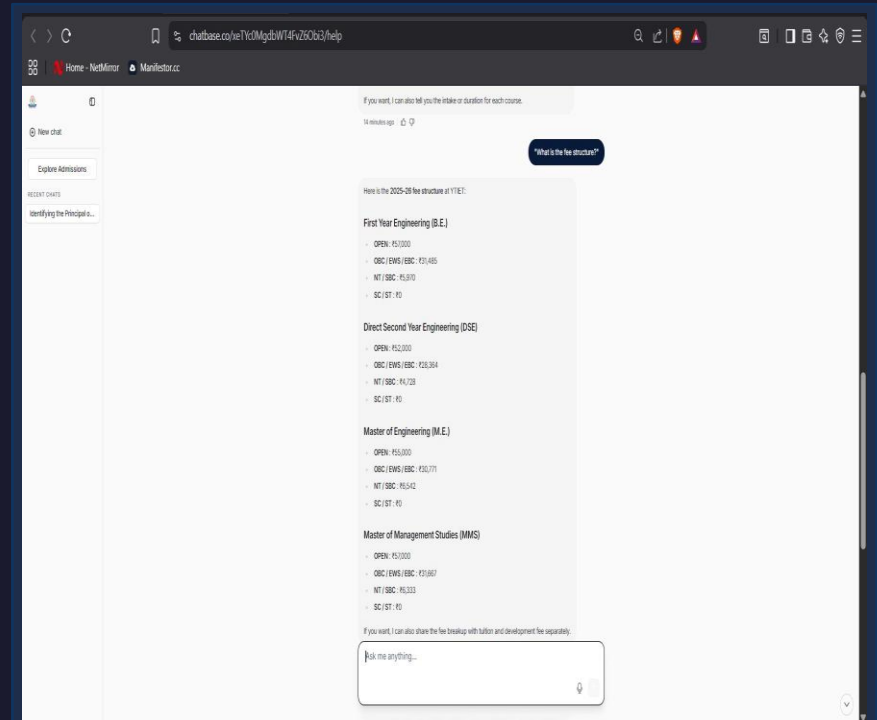

- Undergraduate (UG) : Bachelor of Engineering (B.E.) in:
 - Computer Engineering
 - Electrical Engineering
 - Mechanical Engineering
 - Civil Engineering
- Direct Second Year Engineering (DSE) : B.E. for eligible Diploma and B.Sc. students
- Postgraduate (PG) : Master of Engineering (M.E.) in:
 - Computer Engineering
 - Mechanical Engineering
 - Electrical Engineering
- Management :
 - Master of Management Studies (MMS)

If you want, I can also tell you the intake or duration for each course.

Ask me anything...

✓ UG (BE), DSE, PG (ME), MMS programs listed with specializations

The screenshot shows the same web browser window. The chatbot interface now displays a message from the bot: 'What is the fee structure?'. The response provides the fee structure for the 2025-26 academic year, categorized by program type: First Year Engineering (B.E.), Direct Second Year Engineering (DSE), Master of Engineering (M.E.), and Master of Management Studies (MMS). Each category lists the fee for different categories: OPEN, OBC (EWS/EBC), NT, and SC/ST. At the bottom, there is a text input field with the placeholder 'Ask me anything...' and a microphone icon.

What is the fee structure?

Here is the 2025-26 fee structure at YTIET:

First Year Engineering (B.E.)

- OPEN: ₹5,000
- OBC (EWS/EBC): ₹21,485
- NT / OBC: ₹5,870
- SC / ST: ₹0

Direct Second Year Engineering (DSE)

- OPEN: ₹52,000
- OBC (EWS/EBC): ₹26,504
- NT / OBC: ₹4,728
- SC / ST: ₹0

Master of Engineering (M.E.)

- OPEN: ₹55,000
- OBC (EWS/EBC): ₹20,771
- NT / OBC: ₹5,542
- SC / ST: ₹0

Master of Management Studies (MMS)

- OPEN: ₹5,000
- OBC (EWS/EBC): ₹9,687
- NT / OBC: ₹5,000
- SC / ST: ₹0

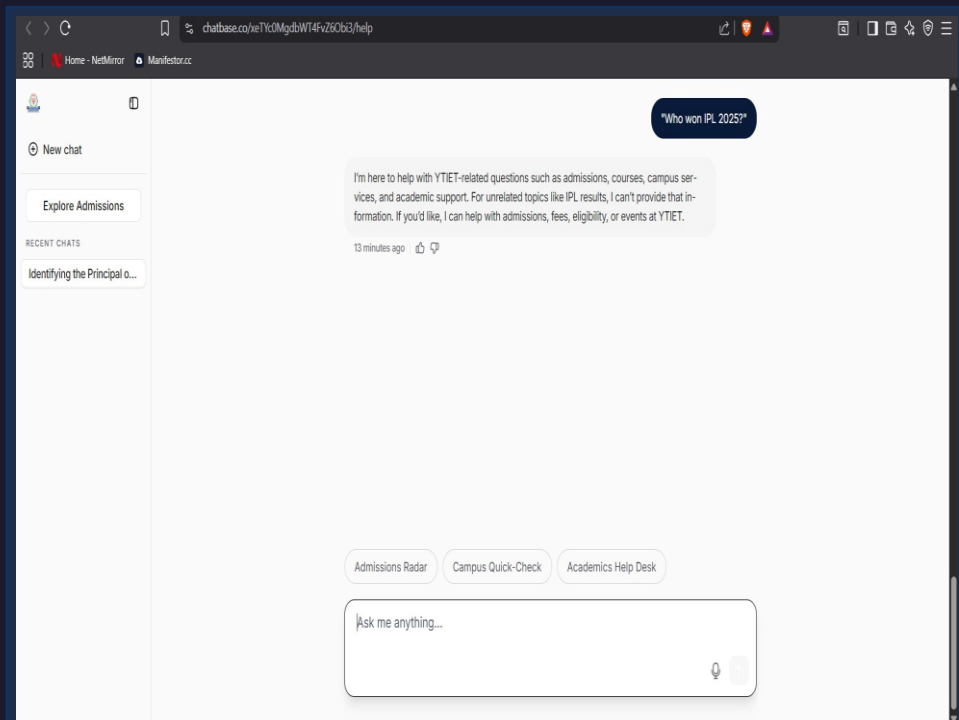

If you want, I can also share the fee breakup with tuition and development fee separately.

Interaction 5 — Fallback / Error Response

⚠ Off-topic query (IPL 2025) gracefully redirected to YTIET topics

Fallback Behaviour Analysis

Trigger

User asked who won IPL 2025 — completely unrelated to YTIET.

Response

Bot politely declined and redirected to its domain: admissions, fees, eligibility, events.

Tone

Non-dismissive and helpful — offered alternative assistance options.

Design Intent

Prevents misinformation and keeps the bot focused on its purpose.

Fee Structure Summary (2025–26)

As provided by the YTIET Campus Assistant Chatbot

Program	OPEN	OBC/EWS/EBC	NT/SBC	SC/ST
First Year B.E.	₹57,000	₹31,485	₹5,970	₹0
DSE (Direct 2nd Yr B.E.)	₹52,000	₹28,364	₹4,728	₹0
M.E. (Postgraduate)	₹55,000	₹30,771	₹6,542	₹0
MMS	₹57,000	₹31,667	₹6,333	₹0

📌 SC/ST students pay ₹0 — fully covered under Maharashtra government freeship scheme.
Fee data sourced directly from the YTIET Campus Assistant chatbot (Chatbase.co).

Summary & Conclusion

What Was Built

- YTIET Campus Assistant on Chatbase.co
- Custom knowledge base with college data
- 5+ meaningful interaction flows
- Voice input support
- Quick-reply suggestion chips

Learnings

- Chatbot objective definition matters first
- Conversation flow design reduces confusion
- Fallback handling is crucial for UX
- Knowledge base quality drives accuracy
- No-code tools speed up prototyping

What Was Achieved

- Accurate principal & staff info
- Admission process guidance
- Complete courses catalogue
- Category-wise fee details
- Off-topic graceful rejection
